

Honors Requirement

January 17, 2007

Earning honors credit requires the following:

1. Attend 10 out of 13 Friday lectures. There will be a quiz given at the end of each lecture.
2. Final project consists of one of the two following:
 - (a) A 5-10 minute Podcast news report on one of the Friday lecture topics or subtopics. Research methods may include interviewing the speaker, internet searches, and more traditional information searches. This will be put on the course website for the public.
 - (b) A poster pedagogically explaining one of the Friday lecture topics or subtopics. Posters will be displayed to the public.

The final project (sub)topic choice must be made by March 29, and the project is due on May 4 (no late projects will be accepted).
